**WHEREAS, Greg Zygaj & Marietta Cimato Zygaj**, 8300 Greiner Road, Williamsville, New York 14221, have petitioned the Town Board of the Town of Lancaster for the rezone of certain property on 5692 Broadway in the said Town from a Residential Commercial Office District (RCO) and Residential District One (R-1) to a Multi-Family District Three (MFR-3), and

**WHEREAS**, the petition has been referred to the Planning Board of the Town of Lancaster for review and recommendation and the Planning Board has recommended a denial of the zoning change, and

**WHEREAS**, a Public Hearing on the petition for the proposed rezone was held by the Town Board of the Town of Lancaster on the 20th day of December, 2004, pursuant to Notice duly published and posted, and

**WHEREAS**, full opportunity to be heard was given to all parties in interest, and

**WHEREAS**, after a review of the petition and the recommendation of the Planning Board and after consideration of the evidence adduced at said public hearing and further considering the Master Plan and Zoning Map of the Town of Lancaster, the following findings are made:

1. A portion of the subject premises zoned Residential Commercial Office (RCO) has previously had constructed on it a four unit multiple dwelling which was not in conformance with the RCO zoning that was in place at the time of construction, the multiple dwelling therefore having been permitted in error by the Town and which use is now deemed to be a non-conforming use in the RCO zoning.
2. That the immediate neighborhood surrounding this property is zoned RCO to the depth of 300' from the center line of Broadway but is developed principally as single family residences.
3. That there are a number of uses permitted in the RCO district other than single family residential but multiple family dwellings such as proposed are not so permitted in that zoning classification.

4. That a zoning change for the subject premises as petitioned from Residential Commercial Office (RCO) and Residential District One (R-1) would benefit the property owner but there has been no demonstration that it would benefit the community as a whole and is therefore in the nature of spot zoning.

5. That the denial of the zoning change does not render the property unusable as it can still be developed for any of the uses permitted in Residential Commercial Office District (RCO) and Residential District One (R-1).

**NOW, THEREFORE, BE IT**

**RESOLVED**, that based upon the testimony and evidence presented at the Public Hearing and based upon the foregoing findings, the Petition of Greg Zygaj & Marietta Cimoto Zygaj, be and hereby is denied.
